Summer Camp is a very active time and we expect all of our staff to participate and encourage the children in all of their activities. We require staff members to commit to being at camp for the duration of a week, throughout the day and night (if on overnight staff). You can assume it will be daycamp unless we have made arrangements with you ahead of time.

Please be advised that a police check is no required for volunteers under 18, however we do need you AND a parent or Guardian to sign below verifying that you have not been involved in any criminal activity and have no criminal record.
